

CA STD Community Website Resources

AIDSHotline.org

Search more than 1,200 organizations providing STD and HIV/AIDS services in California, just go to AIDSHotline.org (<http://www.aidshotline.org/crm/asp/refer/>).

Call the **California HIV/AIDS Hotline at 800/367-AIDS** (English/Spanish).
TDD: 888/225-AIDS.

AIDSinfonet.org

This project of the New Mexico AIDS Education and Training Center was designed to make information on HIV/AIDS services and treatments easily accessible in both English and Spanish and has become an international resource for information on HIV/AIDS.

BlackAIDS.org

The website of the Black AIDS institute, the first Black HIV/AIDS policy center dedicated to reducing HIV/AIDS health disparities by mobilizing Black institutions and individuals in efforts to confront the epidemic in their communities.

TheBody.com

A comprehensive HIV/AIDS resource, with information on over 550 topic areas.

CaliforniaMen.net

This site includes a variety of resources, including hook-up site reviews, blogs from guys around California, and a little black book feature to help you keep track of tricks, hookups, friends, and other sexual encounters.

GayHealth.com

The first health and wellness website dedicated to gay, lesbian, bisexual, and transgender men and women. Includes info on all sorts of things that impact your health, from what's in the news to what's on the dinner table.

Disclosehiv.org

An HIV prevention campaign for at gay and bisexual men living in the Bay Area. This campaign was designed to normalize discussion of HIV status among gay and bisexual men prior to sex. It also encourages men to maintain up to date information about their own HIV status.

GLMA.org

GLMA works to ensure equality in health care for lesbian, gay, bisexual and transgender (LGBT) individuals and health care professionals. The site includes a searchable health care provider referral database.

HepClinics.com

Hepatitis A and Hepatitis B are serious sexually-transmitted liver diseases that can be prevented with a vaccine. Use this site to search for a clinic near you that provides free or low-cost Hep A & B vaccinations.

HIVStopsWithMe.org

An HIV prevention campaign for HIV positive men, women and transgenders in Los Angeles, Long Beach, and San Francisco, as well as other sites throughout the US. The campaign was created to promote strategies that support HIV positive men, women and transgenders in their efforts to be leaders in HIV prevention.

InSPOT.org

Ready to test for STDs? Use this site to find out where to get free or low-cost testing in your area in California. If your test is positive, you can also use this site to tell your partners (anonymously) so they can get treated, too.

LGBTcenters.org/directory.asp

Use this searchable online directory to find an LGBT center or other service organization in your area.

Poz.com

A monthly magazine that covers the impact of HIV and AIDS on life, politics, culture and society. Website also includes POZ Personals, treatment info, news and more.

Shotworthy.com

A resource created by gay men for gay men that includes sex advice, STD and hepatitis information, as well as advice on chat room etiquette.
